Appointment of Two Members to the Audit Committee

Draft decision*

The Board approves the appointments of the following candidates as members of the Audit Committee:

- Mr Pedro Guazo (Mexico); and
- Ms Agnieszka Słomka-Gołębiowska (Poland).

Their three-year terms will begin on 30 July 2017 and expire on 29 July 2020.

Background

1. The Audit Committee of WFP is an independent advisory body that reports to the Executive Director and the Executive Board. Under the committee's terms of reference, the Board approves the appointment of new members on the recommendation of the Executive Director.
2. The terms of two members of the Audit Committee – Mr James A. Rose and Ms Irena Petruškevičienė – expire on 29 July 2017. The Executive Director recognizes, with gratitude, their strong contribution and distinguished service to WFP.
3. To fill the resulting vacancies on the Audit Committee, the Executive Director is recommending to the Board two new members for approval of appointment.
4. The Audit Committee terms of reference specify that “to undertake their role effectively, members of the Audit Committee should collectively possess recent and relevant knowledge, skills and senior-level experience in the following areas:
 - a) finance and audit;
 - b) organization governance and accountability structures, including risk management;

- c) understanding of general legal concepts;
 - d) senior-level management experience; and
 - e) the organization, structure and functioning of the United Nations system and/or other intergovernmental organizations.”
5. The terms of reference stipulate that due regard shall be paid to equitable geographic representation in the selection of Audit Committee members.
 6. To identify suitable candidates, WFP sought applications by advertising the positions on its recruitment website and through its usual vacancy publicizing channels.
 7. WFP’s outreach yielded 144 external candidates – 25 percent women and 75 percent men – from the first vacancy announcement. Given the low proportion of women applicants, WFP reissued the announcement, yielding 165 external candidates – 44 percent women and 56 percent men. The total 309 applications were narrowed down to a shortlist of the most highly qualified candidates. To pay due regard to equitable geographic representation, and given the nationalities of the three remaining members of the committee,¹ particular attention was given to nationals of countries in Lists C, D and E.
 8. To consider the shortlisted candidates, a selection panel was approved by the Board at its Annual Session in 2016. The panel was composed of H.E. Mohammed S.L. Sheriff, Ambassador and Permanent Representative of Liberia; Dr Mafizur Rahman, Alternate Permanent Representative of Bangladesh; Mr Amir Abdulla, WFP Deputy Executive Director; Mr Jim Harvey, WFP Chief of Staff; and Mr Suresh Kana, Member of the Audit Committee. The selection panel narrowed down the shortlist to seven candidates. Following interviews with these candidates, the panel recommended four to the Executive Director.

Executive Director’s Recommendation

9. Based on the above selection criteria and the inputs received from the selection panel and the existing membership of the committee, the Executive Director wishes to recommend to the Executive Board that it approve appointment of the following candidates:
