Policy issues

2017/EB.2/2

Update on the Integrated Road Map

Having considered the "Update on the Integrated Road Map" (WFP/EB.2/2017/4-A/1/Rev.1) and recalling the Executive Board decisions concerning the "Policy on Country Strategic Plans" (WFP/EB.2/2016/4-C/1/Rev.1), the "Financial Framework Review" (WFP/EB.2/2016/5-B/1/Rev.1) and the "Update on the Integrated Road Map" (WFP/EB.A/2017/5-A/1), the Executive Board:

- i) *noted* that while certain country offices would continue to implement the project-based system, the country strategic plan (CSP), interim country strategic plan (ICSP), transitional interim country strategic plan (T-ICSP) and limited emergency operation modalities, including country portfolio budgets – hereafter referred to as the "CSP framework" – that are foreseen in the Integrated Road Map (IRM) would, following a pilot phase in 2017, be introduced in 2018;
- ii) *noted* the progress on the IRM, where the experience of implementing the pilot CSPs and one ICSP had served to inform and refine the design of the country portfolio budget, CSP and ICSP structures, and decided that their pilot phase would end on 31 December 2017, noting that they would be implemented as standard CSPs and ICSPs for the remainder of their duration;
- iii) *recalled* its request to the Executive Director, made at the 2017 annual session, to present at the 2017 second regular session proposals in respect of the application of the General Rules and Financial Regulations to allow for the implementation of the CSP framework in 2018, as well as the Secretariat's commitment to present proposals, also at the 2017 second regular session, on principles to guide, on an interim basis during 2018,

full cost recovery, together with proposed interim delegations of authority to the Executive Director for operations carried out under the CSP framework;

- iv) *recalled* that WFP's General Rules and Financial Regulations were expected to be amended at the 2018 second regular session and approved:
- 1) the continued application of existing General Rules and Financial Regulations to country offices implementing the current project-based system; and
 - 2) for countries operating under the CSP framework:
 - a) the temporary application of provisions of the General Rules and Financial Regulations referring to existing programme categories as if such references were to the CSP framework; and
 - b) derogations from provisions of General Rule XIII.4 and Financial Regulations 1.1 and 4.5 relating to cost categories and full cost recovery in order to allow for the application of the principles referenced in paragraph v, below;
- v) *decided*, pending amendment of the General Rules and Financial Regulations at the 2018 second regular session, to extend the principles previously approved by the Board for the purpose of pilot CSPs¹ to the CSP Framework in effect in 2018, with the exception of those formulated in connection with full cost recovery, which should be applied as follows:
- 1) The following high-level cost categories should apply to all types of contributions:
 - a) transfer and implementation costs, which represent the operational costs of a contribution;
 - b) adjusted direct support costs, i.e., a country-specific percentage of the transfer and implementation costs of a contribution for all activities, save for those related to mandated common services, for which a different adjusted direct support cost rate would be applied due to the manner in which costs for those activities are budgeted, and;
 - c) indirect support costs (ISC), i.e., a standard, Board-determined, percentage of the transfer and implementation and adjusted direct support costs of a contribution. Notwithstanding the foregoing, the Board-determined ISC may, as an interim measure pending consideration of the role of extra budgetary funding at the 2018 second regular session, be varied through the continued use of trust funds and extra budgetary accounts in instances where they have in the past been employed to fund activities that are now part of the CSP framework;
 - 2) Except as otherwise provided in subparagraph 3, below, all donors should provide sufficient cash or other acceptable resources to cover the full operational and support costs related to their contributions; and
 - 3) The exceptions currently provided for full cost recovery, set forth in General Rule XIII.4 (e) – (h), should continue to be applied in accordance with current practices. As the category of direct support costs would no longer exist for programmes operating under the CSP Framework, for the purposes of waiver authorization under General Rule XIII.4 (g) “direct support costs” should mean “costs that prior to application of the CSP Framework would have

¹ See WFP/EB.2/2016/15, decision 2016/EB.2/7, para. v.

constituted direct support costs”, and the Executive Director’s authority to reduce or waive ISC for such contributions should encompass adjusted direct support costs as well;

- vi) *approved*, for the period from 1 January 2018 to 29 February 2020, the interim delegations of authority to the Executive Director that are set forth in annex II to the Update on the Integrated Road Map (WFP/EB.2/2017/4-A/1/Rev.1), noting that permanent delegations of authority to the Executive Director would be approved, following a review of the interim delegations of authority, by the Executive Board at its 2020 first regular session; and
- vii) *noted* that in the interest of a more efficient transition to the CSP framework, certain country offices that planned to submit CSPs to the Executive Board for approval at the Board’s 2018 first regular session had indicated a preference for commencing CSP implementation from 1 January 2018. In order to facilitate that, the Executive Board requested the Secretariat to submit for approval by correspondence, in accordance with Rule IX.8 of the Rules of Procedure of the Executive Board, short-term ICSPs that detailed activities to be implemented under the Integrated Road Map framework from 1 January 2018 through 31 March 2018 for those countries and also noted that a similar process might be followed for countries operating under the legacy project system in 2018 that would present CSPs or ICSPs for Executive Board approval at the Board’s 2019 first regular session.

The Board also took note of the comments of the Advisory Committee on Administrative and Budgetary Questions (WFP/EB.2/2017/4-A/2, WFP/EB.2/2017/5-(A,B,C)/2 and WFP/EB.2/2017/10-A/2) and the Finance Committee of the Food and Agriculture Organization of the United Nations (WFP/EB.2/2017/4-A/3, WFP/EB.2/2017/5-(A,B,C)/3 and WFP/EB.2/2017/10-A/3).
