

Embracing Change: A Dialogue around Emerging P4P Country Experiences and Future Plans

Group D: The Islamic State of
Afghanistan and the Republic of
South Sudan

presenters

- Afghanistan:
 - Djordje Vdovic, P4P Country Coordinator
 - Dildar Khan Shinwari, Omar Farooq Ltd
- South Sudan:
 - Emmanuela Mashayo, P4P Country Coordinator
 - Alexander Solyga, GIZ

Key points P4P Implementation

- Afghanistan: Establish factory for HEB production provides demand for local products, opportunities for employment, food for vulnerable populations. Independence.
- South Sudan: Construction of agro-business environment with all components: production, processing, storage, markets, infrastructure, using ABC Hubs. Emphasis on partnerships.

Key issues

- Conflict environment: past, present and future
- Government: presence, stability, effectivity
- Trust:
 - cultural limitations (opportunities for women to work in Afghanistan),
 - returning displaced populations (South Sudan) coming from environment of food assistance, different levels of economic growth, expectations
- Lack of WFP expertise in business-oriented activities
