Situation Update

Almost 158,000 Burundian refugees have crossed over into Tanzania since April 2015. Combined with the pre-influx population, the total refugee population stands at over 227,000. Three Refugee Camps are currently operational in Tanzania: Nyarugusu, Nduta and Mtendeli. The population at Nduta Refugee Camp is over 53,000 and Mtendeli has almost 43,000 refugees. WFP is providing dry food rations and Supplementary Feeding at all three camps. Hot meals are served to new arrivals at transit and reception centres.

WFP Response

Food Assistance

As of 09 September, a cumulative total of 33,889 mt of food commodities have been distributed to almost 158,000 new Burundian refugees. This includes:

- 775 mt served as hot meals to almost 158,000 refugees at Reception/Transit Centres;
- 32,014 mt of dry rations provided to almost 158,000 refugees. Dry rations include maize meal, pulses, oil, salt and Super Cereal;
- 41 mt of High Energy Biscuits and dates distributed by Caritas Kigoma, Tanzania Water and Environmental Sanitation (TWESA) and Relief to Development Society (REDESOS) as ready to eat food to 65,402 refugees in transit from various Reception/Transit Centres;
- 555 mt of Super Cereal Plus provided to 34,429 children between 6-23 months and 6-59 months of age to prevent stunting and micro nutrient deficiencies, respectively; and
- 504 mt of various food commodities provided to 34,027 beneficiaries including pregnant and lactating women, children with moderate acute malnutrition, HIV patients on medication and hospital in-patients.

Logistics

- As the lead agency in logistics, WFP co-ordinates the transportation of food and non-food items, warehousing and clearing and forwarding formalities, and provides information to NGOs and UN agencies to help improve efficiency in transport and logistics.

Partnerships

- WFP's co-operating partner, the Adventist Development and Relief Agency (ADRA) carries out General Food Distribution at Nyarugusu Refugee Camp.
- WFP has partnered with World Vision Tanzania to carry out General Food Distribution at Nduta, and Mtendeli Refugee Camps.
- Under a tripartite agreement with UNHCR and WFP, wet feeding (provision of hot meals) is implemented by Caritas, Tanzania Water and Environmental Sanitation (TWESA), Danish Refugee Council (DRC), International Refugee Committee (IRC) and Relief to Development Society (REDESO) at Transit/Reception Centres and at the camps.
- Tanzania Red Cross Society (TRCS) and World Vision Tanzania implement the Supplementary Feeding Programme at the camps with food and human resources provided by WFP. WFP works with TRCS, World Vision Tanzania and UNICEF to deliver nutrition messaging in order to address barriers to proper child nutrition, such as inappropriate infant and young child feeding practices.

Resourcing Update

- Confirmed contributions towards WFP's Refugee Operation in 2016 include DFID—GBP 4 million; France—Euro 750,000; Canada—CAD 500,000; ECHO - Euro 1.3 million; CERF - US\$ 2 million; Japan - US\$ 1.8 million; Food for Peace - US\$ 15 million;
- Contributions in 2015 upon the start of the emergency in April: Germany - Euro 14 million; Belgium - Euro 1 million; UK Department for International Development (DFID) - GBP 1.5 million; USA/Food for Peace - US\$ 3 million; UN Central Emergency Response Fund (CERF) - US\$ 2.3 million; and the European Commission's Humanitarian Aid and Civil Protection Department (ECHO) - US\$ 1.9 million.
- With increasing numbers of refugees, and to sustain current refugees, WFP is continuing to raise funds.
