Logistics

- As the lead agency in logistics, WFP co-ordinates the transportation of food and non-food items, warehousing and clearing and forwarding formalities, and provides information to NGOs and UN agencies to help improve efficiency in transport and logistics.

- WFP has partnered with World Vision Tanzania to carry out General Food Distribution at Nduta, and Mtendeli Refugee Camps.
- Under a tripartite agreement with UNHCR and WFP, wet feeding (provision of hot meals) is implemented by Caritas, Tanzania Water and Environmental Sanitation (TWESA), Danish Refugee Council (DRC), International Refugee Committee (IRC) and Relief to Development Society (REDESO) at Transit/Reception Centres and at the camps.
- Tanzania Red Cross Society (TRCS) and World Vision Tanzania implement the Supplementary Feeding Programme at the camps with food and human resources provided by WFP.
