Funding

Situation Update

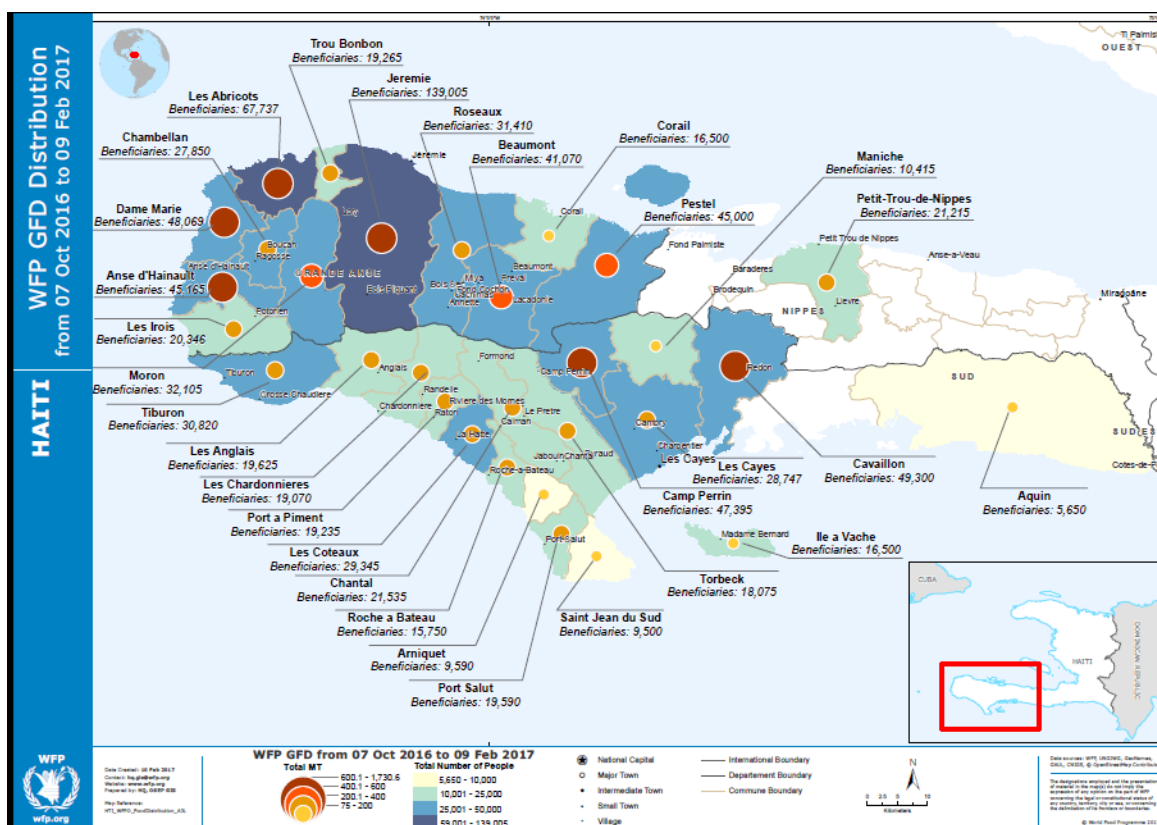

- The **overall security situation** is **calm** and WFP operations continue without incident at the moment.
- Since 1 February, **general food distributions** has been distributed to 19,600 households since the **Escort service** provided by MINUSTAH and HNP **has resumed in Jeremie and les Cayes** after being on hold from 25-31 January during the election period.

WFP Response

- Since the beginning of the operation, WFP has **reached 921,439 people** with general food distributions with a total of **15,997 mt of food**.
- In total since the beginning of the operation, WFP provided **specialized nutritious food** in Grande-Anse and Sud department to a total of **38,282 children under the age of five** and **11,700 pregnant and nursing women**.

Hurricane Matthew Emergency Response: Food Distribution Map

Cash-based Transfers

- **More than 8,000 people** have this last week each **received a 4,080 HTG** (approximately US\$60) cash-based transfer in Pestel (Department of Grande-Anse). In addition, **SIM cards were distributed** in Grande-Anse department (Corail) for more than 5,500 people.
- The **tripartite debriefing between CARE, WFP** and the "Ministère des Affaires Sociales et du Travail" (MAST) took place on 6 February. In order to improve **coordination** between **local** authorities, partners and all stakeholders, it has been decided to **reinforce collaboration between MAST, WFP and cooperating partners' teams** in the departments of Sud and Grand-Anse.
- The **WFP hotline is operational** since January **2017**. It allows WFP and its partners to **receive grievances and feedback** from the communities where projects are implemented in Grande-Anse and Nippes.

Logistics Working Group

- Between 2–8 February, **7 Service Request Form (SRF)** were **submitted** on behalf of 4 partners to stored 278 MT/ 1244 cbm cargo. The air support facilitated 15 transports (5 by air and 10 by road) for 4 partners to 8 different destinations by the Logistics Working Group, to transport 57 MT/ 150 cbm.
- **Since October 2016** the Logistics Working Group has facilitated storage to the partners for a total of **4,094 MT/ 12,914 cbm** humanitarian cargo stored, and **2,962 MT/ 7,618 cbm** road transported road.
- The Logistics Working Group is **facilitating air transport** on behalf of the partner "Médecin Sans Frontière" Belgium until 26 February, which requested assistance with the transport of 344mt of NFIs and construction material to villages inaccessible by road in Sud and Grand-Anse departments.

Hurricane Matthew Emergency Response Donors:

ICT Working Group

- **In line with the ETC2020 strategy**, the Emergency Telecommunications working group is **committed to helping** communities **access vital humanitarian information**. The working group will improve community radio stations' abilities to transmit important, localised messages and invite increased community dialogue on humanitarian issues.
- In cooperation with Internews, four radio stations in Grand-Anse, Sud and Nippes will be rehabilitated and provided with basic power and ICT support, equipping them to receive, create and transmit humanitarian broadcast content. With **equipment delivered** now in country the **installation will start** 10 February **as planned**.

Timeline: Hurricane Matthew

Response

- 04 Oct** | Hurricane Matthew makes landslide.
- 08 Oct** | First WFP food distribution.
- 10 Oct** | Results of EFSA show Grande-Anse and Sud are most affected areas and 806,000 are in urgent need of food
- 04 Dec** | WFP jointly with FAO starts providing seed protection food ration.
- 30 Dec** | WFP provides first cash transfers to 16,960 beneficiaries.
- 05 Jan** | The volatile security situation leads to the temporary suspension of WFP operations.
- 19 Jan** | WFP operations have resumed fully in Sud and partially in Grande-Anse following a security assessment.
- 29 Jan** | Results of EFSA conducted in December show food insecurity halved in areas affected by Hurricane Matthew and where WFP intervened.
- 31 Jan** | Partnership between MSF Belgium and WFP to support the transport of 344mt of NFIs and construction material to inaccessible villages.
- 6 Feb** | A tripartite debriefing of the MAST mission was held to identify actions to be taken to improve coordination between local authorities, partners and all stakeholders.
