## Inspection at loading: Checklist

### Loading procedure

| A **Loading procedure** is available on line (which includes a checklist) |

| If **fumigation** is required, it conforms WFP SOP |
| http://foodquality.wfp.org/Portals/0/Fumigation%20SOP%20WFP.swf |

**Other observations / comments:**

### Packaging

- Bags are not damaged, wet, or else
- Markings are per contract specifications
- Bags net weights are per contract specifications
- Empty bags are as per contract specifications

**Other observations:**

### Tally

- A tally sheet has been completed.
- A daily report is sent to WFP

### General

- Pictures of loading have been taken.
