OVERVIEW

1. Innovations in food assistance: issues, lessons and implications	1
<i>Steven Were Omamo, Ugo Gentilini and Susanna Sandström</i>	

SECTION I – INSTRUMENTS

2. Responding to high food prices: evidence from a voucher program in Burkina Faso	19
<i>Ali Ouattara and Susanna Sandström</i>	
3. Market-based food assistance in protracted crisis: vouchers in the Occupied Palestinian Territory	33
<i>Caterina Galluzzi and Sahar Natsheh</i>	

4. **Climbing mountains and crossing deserts: insights from a multi-annual voucher programme in Pakistan**.....53
Henk-Jan Brinkman, Ugo Gentilini and Zahid Majeed
5. **New technologies in food assistance: electronic vouchers for Iraqi refugees in the Syrian Arab Republic**.....65
Tarek Elguindi
6. **Do cash transfers improve food security in emergencies? Evidence from Sri Lanka**75
Susanna Sandström and Levan Tchatchua
7. **Comparing cash and food transfers: a cost-benefit analysis from rural Malawi**89
Blake Audsley, Riikka Halme and Niels Balzer
8. **Climate change and weather risk management: evidence from index-based insurance schemes in China and Ethiopia**.....103
Niels Balzer and Ulrich Hess

SECTION II – THEMATIC AREAS

9. **Connecting farmers to markets: insights from the Purchase for Progress initiative**125
Ken Davies and Nicole Menage
10. **Disaster risk reduction: experience from the MERET project in Ethiopia**139
Betru Nedessa and Sonali Wickrema
11. **Introducing new and improved food products for better nutrition**.....157
Saskia de Pee, Tina van den Briel, Joris van Hees and Martin W. Bloem

- 12. Food technology for safe and nutritious food**.....177
*Dominique Bounie, Charlotte Bienfait, Shane Prigge
 and Bertrand Salvignol*
- 13. The evolution of food assistance for HIV care
 and treatment 2000 to 2009: a decade of
 institutional innovations**.....195
Francesca Erdelmann, Mary Njoroge and Annmarie Isler
- 14. The multiple impacts of school feeding:
 a new approach for reaching sustainability**.....217
Luca Molinas and Marc Regnault de la Mothe
- 15. Protection and food assistance programmes:
 promoting safety, dignity and more effective hunger
 outcomes in humanitarian crises**231
Nicholas Crawford, Gina Pattugalan and Kjersti Dale

SECTION III – SUPPORTIVE ACTIVITIES AND INSTITUTIONAL PLATFORMS

- 16. Assessments of the impacts of global economic
 crises on household food security: innovative
 approaches, lessons and challenges**259
Issa Sanogo and Joyce K. Luma
- 17. Emergency preparedness tools and activities
 in Latin America and the Caribbean**.....275
Raoul Balletto and Stephanie Wertheimer
- 18. Information and communications technology
 in food assistance**.....295
Edgardo Yu
- 19. Logistics for food assistance: delivering innovations in
 complex environments**307
Emma Quinn

20. Engaging in a multi-actor platform: WFP’s experience with the Productive Safety Net Programme in Ethiopia	329
<i>Fithanegest Gebru, Ugo Gentilini, Sonali Wickrema and Arega Yirga</i>	
21. Country implementation of the Strategic Plan: the case of Uganda	351
<i>Stanlake Samkange, Paul Howe and Marco Cavalcante</i>	
22. Hand-over in Namibia: from food aid to social protection for orphans and vulnerable children	365
<i>Baton Osmani</i>	
Glossary	377

11.2	Average daily cost of a diet and daily income for the poorest households.....	162
11.3	Nutritional products used by WFP	166
11.4	Universal sachet design for micronutrient powder (MNP)	168

12.1	Main families of foods distributed in WFP assistance programmes, and their technological demands	178
13.1a	Milestones in HIV/AIDS care and treatment.....	198
13.1b	Milestones in HIV/AIDS care and treatment.....	201
13.1c	Milestones in HIV/AIDS care and treatment	205
13.1d	Milestones in HIV/AIDS care and treatment	208
14.1	School feeding investment case framework	225
14.2	Results of the investment case in Kenya	227
14.3	Standard annual cost per beneficiary (US\$), meals-only programmes.....	229
15.1	WFP's concentric circles model of protection	237
15.2	The egg model for humanitarian protection responses	242
15.3	Protection issues in Haiti.....	246
16.1	Evolution in the numbers of WFP cash and voucher programmes	271
17.1	Main page of www.satcaweb.org	285
17.2	Menu for uploading and visualizing data in CAFFGweb.....	286
17.3	CAFFG results – floods in El Salvador, 8 November 2009	287
17.4	Red bean production and market flows in El Salvador	289
18.1	Humanitarian supply chain.....	296
18.2	Organizational processes	297
18.3	Technology framework	299

18.4	WFP's EPweb.....	300
18.5	Illustration of Nutrinet	301
18.6	ICT emergency concept of operations	305
19.1	WFP's supply chain process at the most elementary level	309
19.2	The UNHRD network.....	312
19.3	Developing an integrated supply chain	326
20.1	WFP beneficiaries and food transfers under the PSNP, 2005 to 2009	339
20.2	Timeliness of food (left) and cash (right) transfers, 2006 to 2009.....	341
21.1	Uganda country strategy roadmap	353
21.2	Uganda country strategy implementation process	360
22.1	Impact of OVC food support programme on uptake of CWG	373

Tables

2.1	Beneficiaries' views on how they benefit from the programme.....	24
2.2	Economic scores of all households in Ouagadougou and of households in the voucher census.....	26
3.1	Distribution of UVP beneficiaries.....	35
4.1	Voucher modalities and cash transfers	54

4.2	Major statistics of the voucher programme, 2001 to 2009	58
5.1	Use of vouchers during the first and second distributions, and corresponding calorie values	70
5.2	Complaints and enquiries received by the WFP help desk during the first distribution cycle.....	71
5.3	Pros and cons of vouchers compared with in-kind food distribution	73
6.1	Selected household characteristics, by DS division	82
6.2	Household perceptions of the programme, by transfer type and gender.....	84
7.1	Changes in food security indicators for different transfer groups.....	94
7.2	Costs of increasing food security indicators by 1 percent	95
7.3	Alpha-values under different scenarios	96
8.1	Levels of weather index insurance for agriculture	107
9.1	P4P implementation status, February 2010.....	133
10.1	MERET activities by category.....	148
10.2	WFP assistance through Project 2488 and MERET.....	152
11.1	WFP's new nutrition products	174
12.1	Changes in rice consumption, selected Asian countries.....	181
12.2	Effects of dry and wet extrusion on gruel characteristics	186
12.3	Types of CFPU developed by WFP	190
15.1	Typical protection threats.....	243

15.2	Protection checklist for food assistance operations	251
16.1	Countries most vulnerable to the global food, fuel and financial crises.....	261
16.2	Potential vulnerabilities of case study countries to external factors	264
16.3	Impact of the food price crisis on households in selected countries that depend on internationally traded staples	267
16.4	Selected interventions in urban areas in response to the global crises	270
19.1	Information products, operational tools and training for WFP staff and partners.....	316
20.1	Shifts in the PSNP approach, 2005 to 2009	332
20.2	PSNP and HABP budget, 2010–2014	333
20.3	Numbers of PSNP beneficiaries, 2005 to 2009	335
20.4	Beneficiaries' preferences, 2006 and 2008	340
21.1	Programme for the Uganda Country Office decision-making meeting.....	355
22.1	Actual OVC registrations versus targets, by region	369
22.2	Total food distributions, by commodity type and region (mt)	370
